**Fundraiser for the financial estate of Erik and Rike Thomsen**

Several years ago a Berlin police operation caused an incident that led to financial hardship for my family and me.

[www.nilsthomsenkriminalfall.de](http://www.nilsthomsenkriminalfall.de) (German website with a short review in English)

The case has been ongoing for the past 6 years and has led to constant and lingering indigence and financial strain for my children.

Particularly degrading was the fact that our efforts to maintain and meet the basic needs of our family required us to use approximately €5,000 that had been saved for Erik and prevented us from establishing savings for Rike. Their understanding and selflessness ensured my family's survival.

For this reason, an account has been set up in which several donations have already been made, exclusively for the benefit of my children.
